Board of Selectmen
Northfield, New Hampshire

Dear Citizens of Northfield:

1984 has been a year of many happenings in our ever-growing community.

The restoration of our beautiful Arch is nearly completed and there was a great job of refinishing the Animal Shelter by Charles White and other Northfield citizens who volunteered. It is greatly appreciated by all.

The temporary bridge on Sargent Street will be opened in the spring so that the new one can be constructed.

Now we have a crossing guard at the Union School twice a day, five days a week, to protect our children.

Once again the annual Old Home Day was a great community event, thanks to many dedicated people.

As you know, we have been ordered by the State to close out our stump dump located at the rear of the Highway Department garage. We are working on a new facility and hope soon to be able to give you positive answers on it and on our other rubbish problems.

Again we, the Board of Selectmen, are most appreciative to all the elected officials, town employees, committees, volunteers and residents of our great Town.

Auditor's Report
Transmittal and Commentary Letter

February 24, 1984

To the Members of
the Board of Selectmen
Town of Northfield
Northfield, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Northfield, New Hampshire as of and for the year ended December 31, 1983, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, the combined financial statements and the combining fund financial statements and the account group financial statements referred to above present fairly the financial position of the Town of Northfield, New Hampshire, at December 31, 1983, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Northfield, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Northfield Planning Board

Northfield, N.H.

The Northfield Planning Board meets the third Monday of every month at 7:30 p.m. in the Town Hall. The board consists of seven regular members, including the chairman, secretary and selectman representative, plus two alternate members.

1984 saw very little subdivision activity. Two minor subdivisions and two lot line changes were approved. In August a Public Hearing was held to review a permit for Excavation under RSA 155-E:3.

Members of the board attended the 1984 Municipal Law Lecture series in Meredith. The information gained at these meetings is important to keep abreast of changes in the RSA's affecting Land Use boards. Knowing how the courts interpret and rule on issues is also important to the boards.

In March the voters approved the zoning amendments as recommended by the board. Work continues on further clarification and broadening of the zoning regulations. Public hearings will be held later in the year for voter participation.

In March Jeanne Mazur was re-elected as Chairman and Mark Greenberg as Secretary. In June Mr. Greenberg resigned and the selectmen appointed Diane Knaefler as Secretary.

Respectfully submitted,
Jeanne C. Mazur
Chairman

Annual Report of the Northfield Police Department

The Northfield Police Department answered 2,312 calls for service in 1984. A breakdown of activity is submitted and follows this report.

As you know there have been changes in police personnel. On June 27, I was sworn in as chief of the department. Concurrently Patrolman Kent G. Chapman was promoted to the rank of sergeant, and Officer Robert Campbell, Jr. upgraded to senior patrolman. Jeffrey Marvelle was appointed our fourth full-time officer on November 20, after serving many months as a special officer. Dayle Auger continues to do a good job in her position as clerk/dispatcher for the Northfield Police Department. To fill a vacancy of special officer, Peter J. Campbell, a former policeman in New Jersey, was sworn in on December 18.

As part of the Police Department's effort to keep abreast of changes and training in law enforcement, our officers completed many schools, advanced schools and seminars at the New Hampshire Police Academy in Concord and at other agencies in the state during the past year. They are: PR-24 recertification, D.W.I. training seminar, interviews and interrogation school, affidavits/warrants for prosecutors, police prosecutors' school, crime scene first responder, drafting affidavits/warrants for field personnel, firearms instructor school, civil liability for supervisors, developing and using delegating skills, to mention a few. Also Officer Campbell successfully completed the 67th New Hampshire Police Academy winning the firearms proficiency award and Officer Marvelle completed the part-time officers' school.

The degree of motivation and level of morale is high, and with your continued cooperation and support, our personnel look forward to providing the citizens of Northfield with professional and high quality law enforcement service in the coming year.

Respectfully submitted,
Paul M. Leary
Chief of Police

Hall Memorial Library
Public Library for Tilton and Northfield
1984 Annual Report

This past year's activities at the library included free films shown each Wednesday afternoon throughout the year, and sometimes shared with the first-graders at Union-Sanborn School. Story hours were also continued, with songs, games and stories offered pre-schoolers on Mondays at 11 AM or Tuesdays at 12:30 PM on an ongoing basis. Class visits were made by fourth graders of US School, also other groups brought by interested teachers, the Hand-in-Hand Kindergarten, parents of the Headstart Program and others. On May 2, the library hosted a group of local librarians of the Scrooge and Marley Library District with a program on book review tools. The Tri-Library Book Review Group continued to meet monthly at the Hall Memorial, Sanbornton or Belmont Public Libraries, respectively and in turn to review current fiction and non-fiction. Thanks to Richard Blais of the *Concord Monitor*, an article about this group appeared in the December 13 issue of that paper. The librarian attended a February 24 meeting at the Legislative Building in Concord on the need for public buildings to provide access to the handicapped citizens. Although our lovely brick and granite building does not lend itself to ramps, nor our crowded interior provide space for wheelchairs, we continue to seek ways and means of enabling and welcoming all our citizens to the library services. The librarian also attended the Spring Conference of the New Hampshire Library Association at Colby College on June 5, along with other librarians from all over the state.

The Summer Reading Program, Rainbow Readers, began as school closed on June 20 and culminated in a party at the library for all participants on August 23. All twenty-three active readers are considered winners, while special awards went to Meredith and Ethan Banks, Beth McCarthy and Damon Mills. This program was coordinated with the television series, Reading Rainbow.

The Annual Library Book Sale, sponsored by Camille Tolme and the Friends of the Library, was held July 14, 16 and 17 at the Community Room of the Iona Savings Bank and continued on a sale table at the library for another month. Profits of over \$500 are earmarked for the replacement of a wooden section over the entrance with glass, adding light to the library's entry hall and beauty to its appearance without detracting from the architectural integrity of this historic building or causing heat loss in the winter.

Along with such realia as puzzles, puppets and games, the library this year offered four Polaroid cameras, lent by that company, for circulation to adult patrons. The library houses Northfield Historical Society archives and receives the quarterly of the NH Historical Society, thanks to the NHS's membership as of 1984. A Monday evening program of the well-known poet and

Poet Laureate of New Hampshire, Donald Hall, was among the Northfield Historical Society's most interesting meetings for library patrons as for all others who attended on June 4.

Six sections of new steel book shelving were installed by the trustees, while a narrow book truck and audiovisual cart, with shelves, were also added to the library. Shelving in the basement is planned to accommodate the books and records used only occasionally. Donations destined for our next book sale are also stored there. More gift books than ever were added this year, thanks to the Mary Ellen Osgood Estate and the New Hampshire State Library Bookmobile gift of several hundred books from their last loan (the Bookmobile no longer operates).

Library displays included books made by children, a rock and fossil collection, shell collection, Hummel figurines, and an exhibit of school artwork, toy animals. A beautiful balsam Christmas tree was cut and put up in the library by the Tolme family, thanks to Ruth Gorrell's generosity. The T-N Garden Club again graced the library entrance with an attractive holiday wreath by Clara Hardy. Thanks are due to those who contributed books, efforts and interest to the Hall Memorial Library in 1984—and to all patrons devoted to the library and its continued use.

Annual Report of the Tilton-Northfield District Nurse Association 1984

The goal of the Tilton-Northfield District Nurse Association has been to offer quality services to all residents of our two towns. The variety of services available include nursing care, physical therapy, home health aid, homemaker services and speech therapy. Clinics available in conjunction with Franklin Visiting Nurse Association include immunization, well-child, pre-natal and dental. Also, Board members and the District Nurse periodically run a blood pressure clinic in both towns of Northfield and Tilton.

The nurse and Board members have been very busy at Christmastime. The nurse serves as coordinator for the distribution of food, toys, and donations to families in the area by many of our local organizations. Several dedicated Board members have gathered names of local elderly who are in Nursing Homes and remember them with small gifts.

It has truly been a pleasure working with such dedicated people who make up this Board. The following is a list of its members:

Kay Beaulieu	Judy Mills
Marion Dixon	Annette Paquette
Mary Dwinal	Alice Perkins
Sandi Emerson	Sharon Rowell
Claire Falardeau	Libby Robert
Winnie Mae Finemore	Betty Schofield
Doris Hanchett	Marjorie Shephard
Sharon Hill	Nan Smart
Hazel Lawrence	Phyllis Yudickey

The District Nurse, Ms. Deanna Stillings, can be reached at the nurse's office between 8:30 and 9:00 AM and between 1:00 and 1:30 PM at 183 Main Street, Tilton. Location of the office is on the second floor over Beaulieu and Carroll's Market. The office telephone number is 286-4241. A message with the answering service may be left between 8:00 and 4:00 PM weekdays.

Youth Assistance Program 1984 Annual Report

The Youth Assistance Program had a successful year in 1984. We continue to work closely with the three police departments, the schools, the Recreation Department, Twin Rivers Family Resource Council, the New Hampshire Court Diversion Network, the state Youth Workers Association, the state Division of Children and Youth Services, and other agencies.

We served 146 children and youths in 1984: 63 from Northfield, 61 from Tilton, and 22 from Sanbornton. There were 21 court diversion cases, six less than the previous year. We have had a slow but steady decline in court diversion cases since 1979, when we had 92 contracts.

YAP had some personnel changes this past year. Jean Moreau Munsey resigned as program coordinator in June, due to the arrival of her baby and her desire to work with her husband in his new business. Diane Erwin, who worked with us previously and was back from two years in the Peace Corps, replaced Jean in July. Diane became a full-time nursing student and left us in January, 1985, to devote her time to her studies. Jean and Diane served us in excellent fashion, and we wish them all the best.

We are very fortunate to have Martha Douglass of Sanbornton with us as program coordinator. Martha has lived locally for several years, has two children in our schools, and started her duties the last week in January. She has already expressed many ideas for programs, and I'm sure that by the time this report is published many YAP programs will be in full swing.

Three board members resigned in 1984. Cindy Kurahara and George Vailancourt because of new jobs and Jack Maurath due to increasing time pressures. YAP thanks Cindy, George, and Jack for their dedicated service and wishes them good fortune.

We welcome as new members of the board Maurice Bowler, Betty Conlon, George Janas, Sharon Hill, Richard Robinson, and Steve Tallo. Sharon is chairperson, Paul Leary is vice-chairperson, Betty Davis, treasurer, and Vincent Smith secretary. Other board members are Charles Chandler, Rose Ciarpella, Mariann Clark, Tom Fulweiler, Dusty Nielsen and Dick Smart.

We continue to provide a broad range of services for children and youth, including counseling, court diversion, and various programs and activities. One such program involves matching a child with an adult volunteer who would spend three hours a week with the child. If you are an adult with some time who would like to make a meaningful impact on a child's life, we'd like to explain the program and its possibilities to you.

Our deepest thanks to all who have volunteered their assistance to YAP. Our success depends on this, and we really appreciate it.

Respectfully submitted,
Paul Kelley, Director

TILTON-NORTHFIELD FIRE DISTRICT
Report of Audit

I have examined the Treasurer's journal, schedule of detailed expenses, annual financial report; also the check register, cancelled checks, bank statements, savings accounts, invoices, payroll records and other pertinent records. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such auditing procedures as I considered necessary in the circumstances.

In my opinion the accounting records and statements present the financial operations of the Tilton-Northfield Fire District for the calendar year 1984 in a true and accurate manner.

Edward M. Zimmerman
Auditor
T-N Fire District
